WFEO member organisation

Date: 8th January, 2019

Subject: World Construction Forum 2019 & Spring WFEO Meeting, Slovenia, Ljubljana:

- **Last call for abstracts**
- **Invitation to register for the WCF2019 and WFEO meetings**
- **WFEO member organisation delegates**

Dear President,

We are sure that you are well aware that the World Construction Forum 2019: »Buildings and Infrastructure Resilience« will be taking place in Ljubljana, Slovenia, from 8th – 11th April 2019 and that it will be accompanied by the spring meetings of the WFEO Executive Board and its committees from 6th – 8th April 2019.

Since the event is taking place under the patronage of WFEO **we are inviting you to:**

- **take the last opportunity and send us an abstract from your country**
 - some of the countries are poorly represented or not represented at all and we are doing our best to have speakers from all over the world since it is a World Construction Forum; a list of received abstracts is published here: <https://www.wcf2019.org/accepted-abstracts/> ;
 - please note that this is a last call for abstracts and that we need the abstract until 20th January, 2019 at the latest;
 - abstract must be prepared in a forum (in the appendix of this letter); it can be sent to the secretariat@wcf2019.org;
- **name your delegate(s) and register to the forum and WFEO meetings** as soon as possible
 - please use on-line registration form <https://cankarjevdom.eventsair.com/2019-world-construction-forum/wcf-2019-registration-site> ;
 - after 31st January rooms will be available on request only;
 - please note that WFEO delegates pay lower forum attendance fee of 400,00 EUR and that in a process of registration a person has to tick that he/she is a delegate of the WFEO member organisation;
 - registration enables you to register for the forum, WFEO meetings, technical visit, gala dinner, accompanying events, accommodation;

We are also kindly asking you to inform your members once again about the forum, encourage them to attend and invite them to register.

We are taking care that the programme of the forum will be highly interested and that the technical visit will fulfil your expectations.

Besides this both the WCF 2019 itself and Slovenia as a whole offer visitor the opportunity to enjoy a host of interesting sightseeing and excursions, including a technical visit of Škocjan caves (under UNESCO protection) & Predjama castle – both with envious engineering achievements, a walking tour of the old town of Ljubljana, a trip to Postojna Cave (under UNESCO protection) and Lipica Stud Farm famous for its white Lipizzan horses.

For more information, please go to <https://www.wcf2019.org/wcf-intro-slo/> or <https://www.wcf2019.org/registration/> (updated weekly).

Take advantage of these opportunities and attend the WCF 2019 and the WFEO meetings!

Should you have to obtain an entry visa we will, upon request, for that purpose provide each person registering with a confirmation in addition to this invitation letter.

Should you have any questions, please do not hesitate to contact:

Ms Polona Okretic, Slovenian Chamber of Engineers, Jarška cesta 10b, 1000 Ljubljana, Slovenia,
Phone: +386-1-547-33-17, Fax: +386-1-547-33-20, GSM +386-51-632-340, E-mail: polona.okretic@izs.si

Ms Alenka Kregar, Cankarjev dom, Cultural and Congress Centre, Prešernova 10, 1000 Ljubljana, Slovenia, Phone: +386 1 241 7136, Fax: +386 1 241 7296, E-mail: registration@cd-cc.si

The Organising Committee would like to take this opportunity to wish you a pleasant journey and looks forward to welcoming you in Ljubljana.

We would greatly appreciate all your efforts to encourage as many engineers and other interested people as possible to attend the WCF 2019. We thank you in advance.

Yours faithfully,

Dean
Faculty of Civil and Geodetic Engineering
University of Ljubljana

prof. dr. Matjaž Mikoš

President
Slovenian Chamber of Engineers

mag. Črtomir Remec
