

international J B days

On-line job fair: 15-30 September 2014

Seminar for Engineers and interviews: Brussels, Friday 3 October

“Working as an Engineer in an international framework or abroad”

King Baudouin national Stadium in Brussels

Discount for on-line registration before Friday 26 September on www.InternationalJOBdays.be

Program seminar Friday 3 October:

- 13:30: Opening of the fair. List of companies, international organizations, open positions for engineers and programs of conferences on: www.InternationalJOBdays.be.
- 14:30: Meeting with HR-managers recruiting “International minded” engineers.
- 16:00: “The fascination of working in an international framework or abroad. What you should know before working, the do’s and don’ts”. Q & A with the speakers and engineers with international experiences.
- 16:45: Recruitment session (interviews) or visit of the fair
- 18:00: “International projects for engineers in the frame of special Funds”
- 18:15: “Recent trends in international mobility and expatriation packages.” Q & A with the speakers and engineers with international experiences.
- 19:00: End of conferences.

Modality for interviews: if you want to apply for an interview for a job as engineer, a pre-selection is proposed on-line by simply completing and sending back our standard CV- file by e-mail before September 30.

Entrance fee: The entrance to the exhibition, for conferences and recruitment session costs € 8, or only € 5 for registration and payment on-line through the website before Friday, September 26. For students, the access is only € 3 with student card. If you are pre-selected for an interview for a job offer as engineer, the entrance is free.

Save time at the entrance: fill in the registration file for engineers (page registration on website) and bring it at the King Baudouin national Stadium, (Marathon Avenue 133, 1020 Brussels - main entrance) on Friday, October 3 afternoon.
